EDUCATION

University of California San Diego Ph.D. Candidate in Economics (Fourth year)	2020 -
Instituto Tecnológico Autónomo de México (ITAM) B.A. in Economics, <i>with Special Mention</i>	2013 - 2017

RESEARCH INTERESTS

International Trade, Spatial Economics, Macroeconomics, Development Economics

WORK IN PROGRESS

Private Transportation Markets and Endogenous Commuting Costs
Walter Heller Memorial Prize for Best Third-Year Paper

Private, and often informal, transportation markets are key to understand commuting patterns in developing countries and can have profound distributional implications. To understand their role in the economy, I build a spatial model with commuting and a transportation sector to understand the key mechanisms through which commuting costs and supply of services are determined in equilibrium.

Domestic Trade Frictions and Welfare with Alfonso Cebreros

Ethnic Enclaves, Restaurant Agglomeration, and Quality with Andre Gray

WORKING PAPERS

Competition and Coordination in the Mexican Retail Market for Gasoline (with Benjamín Contreras, René Leal and Alejandrina Salcedo). *Banco de Mexico Working Paper Series N. 2020-15*

Press and policy mentions (links): El Universal, Comisión Federal de Competencia Económica

ACADEMIC POSITIONS

Research Assistant Prof. Marc Muendler and Prof. James Rauch Prof. Fabian Eckert	2023 - 2022 -
Teaching Assistant Intermediate Microeconomics - Prof. Judson Boomhower Intermediate Econometrics - Prof. Kaspar Wuthrich Introductory Microeconomics - Prof. Melissa Famulari	2021 2021 2021

PRE-DOCTORAL EMPLOYMENT POSITIONS

Economist

Directorate General for Economic Research, Banco de México 2018 - 2020

Research Assistant

Prof. Shaun McRae, Centro de Investigación Económica, ITAM 2017 - 2018

Prof. Arturo Aguilar, Fundación Qué Funciona para el Desarrollo 2016 - 2017

SEMINARS/TALKS

Summer School in International Economics, Crete 2023

UCSD-ITAM Conference, UCSD 2023

Macroeconomics Workshop, UCSD 2023

Development/International Workshop, UCSD 2023

DISTINCTIONS AND FELLOWSHIPS

Walter Heller Memorial Prize for Best Third-Year Paper, UCSD 2023

Summer Graduate Research Fellowship, UCSD 2021 - 2023

Regents Fellowship, UCSD 2020 - 2021

Special Mention for Undergraduate Thesis and GPA, ITAM 2018

COMPUTER SKILLS

Proficient R

Good knowledge Stata, Python, Matlab, QGIS

LANGUAGES

Spanish (native), English (proficient), French (basic)

ADDITIONAL INFORMATION

Nationality: Mexican

Date of birth: 27th July, 1995
